A. Weeds/Unkept Property Ordinance – Kate explained that she had spoken with Atty Blake Lindner regarding the amendments discussed at the prior meeting. He advised that the village would have to continue giving a warning after each offense. He recommended shortening the length of time to comply as well as lowering the height limit of overgrown grass/weeds. Per Atty Lindner’s recommendation, Kate suggested the village change the height limit from 10 inches to 8 inches. After reaching the 8 inch limit a warning will be issued. She also recommended, per Atty Lindner’s advice, that the time to comply after a warning is issued be changed from 7 days to 5 days for the first offense. If the property owner does not comply within the 5 days a citation will be issued. For any additional offenses the time limit to comply would be lowered to 2 days, after which a citation will be issued if the property owner has not complied in that time. Brock made a motion to amend the village ordinance regarding weeds/unkept property as recommended by Kate. Don seconded the motion. Motion carried with all ayes.
